Cookie Policy

As Taxia, we would like to notify you of the cookies we use on our website, along with their uses and their management, to be compliant with GDPR regulations.

This policy explains the cookies used to provide a better service to the end users and to create a functional online environment, in addition to dictating how the data obtained from the users in compliance with GDPR regulations are being processed, along with the legal rights and authorizations of the end users.

What is a Cookie?

A cookie is a text file stored in the hard disk or in the browser after visiting a website. Cookies serve to benefit the functionality of the services provided to the end users. Providing a personalized online environment for the website user is possible with the use of cookies. The users can choose and change their preferences regarding cookie usage. The users also have the right to request the deletion of the cookies.

Cookie Types

Cookies can be classified according to their purposes, their durations, and their sources.

Purpose Classifications

Necessary Cookies

These cookies are required to browse the website and access secured pages. Permissions are not required for these cookies, but the purpose and necessity of them should be explained to the user.

Preference Cookies

These cookies save the previously made preferences of the user (username, password, language, etc.). Auto-login cookies are also classified as “functional cookies.”

Statistical Cookies

Also known as performance cookies. These cookies collect anonymous data about how the website is being used, to optimize the user experience.

Marketing Cookies

These cookies allow for advertisement services to advertise products that are relevant to the user. The statistical data of the advertisements shown to the user may be shared with third parties. These cookies may be permanently stored.

Duration Classifications

Session Cookies

These cookies hold information until the browser is closed or the session is ended. They are short-term cookies.

Persistent Cookies

These cookies hold information until the expiration date of the cookie, or until manually deleted by the user. According to privacy directives, the expiration cannot be longer than 12 months.

Source Classifications

First-Party Cookies

These cookies originate from the website itself.

Third-Party Cookies

These cookies originate from other services such as advertisements and analytics.

Cookies Used in the Website "https://www.taxia.com.tr"

Name	Purpose	Type	Duration
ci_session	These cookies determine the default session setting in the config.php file of CodeIgniter.	Necessary Cookie	2 Hours
popup	These cookies store whether the user has agreed to the cookie policy or not.	Preference Cookie	1 Year

Privacy and Cookie Management

We process the data of our end users in accordance with GDPR to provide a smoother experience. End users consent to the collection and processing of their data by Taxia starting from the time they access our website until the session is ended. End users may block the collection and processing of their data through cookies. In addition, they may delete the cookies on their browsers. If you'd like to block cookies as an end user:

Google Chrome	Click on the padlock next to the address bar and navigate to Cookies
Internet Explorer	From the top right corner of your browser, navigate to Tools > Security
Mozilla Firefox	From the top right corner of your browser, open the Menu, and navigate to Settings > Privacy and Security
Opera	From the Preferences menu, navigate to Advanced > Cookies
Safari	From Settings, navigate to Privacy and Security

The Rights of Data Access of Users and Data Access Requests

According to GDPR regulations, users have the right to submit a request to Taxia on the following matters.

- Whether their data has been processed or not.
- If yes, information on the processing of their data.
- Learning about the purpose of the processing of their data, and whether if the data was used according to its purpose or not.
- The third-parties the data was shared with.

- The correction of data should it be processed wrongfully.
- Request the deletion of personal data, to the extent as defined by the regulations.
- The notification of relevant third-parties of any requested corrections or deletions.
- Objection to the results of an analysis as done by automated systems.
- Compensation for any damages that may occur as a result of unlawful processing of data.

You can file your requests, including the information as outlined by the regulations, by delivering a signed document to our address Mecidiyekoy Mah. Sehit Ahmet Sk. Ada Residence No 6-10/51 Sisli Istanbul Turkey, submitting through a notary, uploading a e-signed document to the KEP address taxiaymm@hs01.kep.tr, or sending to the email address tax@taxia.com.tr through an email address as registered in our systems.
